Supporting our Clients

At First Midwest, our mission is to help clients achieve financial success. This mission has served as our North Star throughout our history—both in certain and uncertain times. While COVID-19 may create challenges and obstacles for all of us, we will get our momentum back. We are proud to help provide valuable relief and support to our clients at a time when they need us the most.

Client Testimonials

“While daunting now, undoubtedly, you will be the reason why companies remain solvent, why employees keep their jobs and keep their families fed. On behalf of those who haven’t said it, thank you.”

— Manufacturing client

“Just want to send a **BIG** thank you to everyone at First Midwest that helped out with the PPP program. Your efforts will help me ensure that my entire staff will get fully funded paychecks for the next 8 weeks during this slowdown period. They are very appreciative.”

— Healthcare client

“I just wanted to thank you so much for your help during this crazy time in our lives. I’m not sure if you guys get enough fan mail or not, but you and staff are well-deserving of praise and appreciation for your service and help.”
